The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67.
